Records also provide you with accurate facts about your horse project. While scrapbooking and additional materials are not discouraged, please remember that this book is a health, care and riding documentation of you and your project horse.

Exceptions include, but are not limited to, purchase or lease of project horse after September or you are a new member joining the club after the start of the 4-H year.
- Four months of Care and Riding Sheets. Exceptions to this include situations in which horse was available to you for less than four months (e.g. college student, lease or purchase of project horse).

- Achieve a score of 70 points or higher in the required elements section** to compete at the Kent County Youth Fair for awards, trophies or ribbons.

## Instructions for completing your Horse Record Book

### A) Signatures

- All signatures are required. A parent signature is optional if the member is 18 years of age or older.

- Years in horse project do not include years as an Explorer and does include the current year.
- Horsemaster levels are defined as Novice Walk/Trot, Novice Intermediate, Novice Advanced, Junior Intermediate, Junior Advanced, Senior Intermediate, Senior Advanced, or Horsemaster.
- Date record completed should reflect the date of the last entry.

### C) Description of project horse/pony and alternate horse/pony

- If no illness/injury or dental care, explain what you did to maintain your horse's health.

#### **E) Feeding and Bedding Summary**

- Amount column should reflect number of pounds used for one month (30 or 31 days).
- Cost should reflect the cost of the number of pounds used in that month. For example, if you buy 50 pounds of feed for \$8.00 in September, but you only feed 25 pounds the cost in the September cost box should be \$4.00.
- If your family bales their own hay, assign a fair market value to each bale of hay used. For example, if you use 10 bales of hay in September and you choose to assign \$2.50 per bale, you would document \$25.00 spent on hay in the September cost box.

- Describe hay and pasture using proper terminology such as alfalfa, timothy, grass, etc.
- Describe supplements provided to your horse using brand name if applicable and include salt/mineral blocks if provided. Explain why you provide the supplement(s) to your horse as well as amount and cost.

#### **F) Purchases and Gifts**

- This is a listing of items that you purchased or received as a gift that you use for your horse.
- Include individual costs and total. If item was a gift, estimate the value.
- Records should begin on September 1<sup>st</sup>.

#### **G) Project Plans**

- Answer all three questions regarding your goals and plans.

#### **H) Educational Experiences**

- List experiences starting as of September 1<sup>st</sup>.
- Examples include seminars, clinics, and informational book(s) you read and meeting presentations. A general 4-H club meeting does not count as an educational experience unless there is a special presentation, specific educational topics discussed or speaker.

- Keep track of shows and results starting as of September 1<sup>st</sup>.
- You should include the Kids Fun Night Out (KFNO) shows.
